

Loom and Equipment Seller's Checklist

The price you ask can be determined by looking at similar looms for sale at weaving shop/loom dealer's websites. Used looms still in production are typically offered at 50% current retail to start. For more used loom prices and perhaps to post your loom for sale, here are some options:

Open to anyone:

Craigslist: New Hampshire <https://nh.craigslist.org/> Maine <https://maine.craigslist.org/>

Ebay: ebay.com

Spinners, Weavers and Knitters Housecleaning Pages - <http://www.kbbspin.org/>

Some sites where you must join to list:

Weaving guilds' websites, which can be found at www.weavespindye.org

Yahoo! Groups - [Weaving Sales Ads](http://groups.yahoo.com/group/WeavingSalesAds) - groups.yahoo.com/group/WeavingSalesAds

Ravelry - Warped Weavers Marketplace

The New England "Loom List"

Diana Frost maintains a list of looms and equipment for sale which is circulated to various New England guilds and individuals. It is physically posted at Weavers' Guild of Boston, New Hampshire, and other New England guilds' meetings. Anyone may use this list, the only proviso being that when a loom is bought or sold, that information is sent immediately to Diana. Each item will stay on the list for exactly one year unless it is sold or Diana is notified to extend its exposure. For a copy of the current list, please send a SASE (with postage for three ounces) to: Diana Frost, 16 Oyster River Rd., Durham, NH 03824 603 868-7465. Contact her for more information at dianafrost@gmail.com

Information to Include in Your Listing:
